Company Description: It all started back in 2009, when a Swedish salesman couldn't stand to eat any more garbage on the road. (Perhaps you can relate?)

He wanted a lunch option that was healthy, fast, and affordable. So he took it upon himself to outfit a grocery store in a tiny Swedish town with an incredible salad bar. And well, his simple idea caught on like Ranch dressing.

Today you'll find Picadeli all over Europe—and now making its grand entrance into the United States.

Company Description: PICS Inventory Specialists provides high-accuracy, professionally executed inventory solutions for grocery retailers across the United States. Since 2006, we have partnered with regional chains, independents, and large enterprise retailers to deliver full-store physical inventories, cycle counting programs, and ongoing support for perpetual inventory systems across both the salesfloor and backroom.

Our approach is built on disciplined processes, experienced teams, and a commitment to consistency—resulting in 99%+ accuracy rates and reliable execution within defined timeframes. We combine operational efficiency with advanced technology, including interactive store mapping and detailed variance reporting, to provide clear, actionable insights that support better inventory decisions.

PICS offers both national and regional coverage, with the flexibility to design customized programs that align with each client's operational goals. We take a partnership-driven approach, working closely with our customers to minimize disruption, improve inventory integrity, and support long-term performance.

Company Description: Inspired by the need for a collective voice of the plant-based foods industry and representation in government, The Plant Based Foods Association was created in 2016 by our founding board members, Jaime Athos, Martin Kruger, Nicole Sopko, Miyoko Schinner, and Michael Lynch, and founding executive director, Michele Simon. The Plant Based Foods Association officially launched at Natural Products Expo West with 23 member companies in March of 2016.

The board, founding executive director, and these 23 brands were the pioneers of PBFA. Each company believed in the path of exponential growth and vision of the plant-based foods industry, and this created the foundation for PBFA's post-launch accomplishments and current successes.

Company Description: In a world where corporations are benefiting from your data without your knowledge, we believe that you deserve the tools to seamlessly put your own data to work for your own benefit.

■

Pogo is your agent in today's digital world. Link your data with our app and we'll work tirelessly to find you the best ways to earn and save. Whether it's on bills, fees or everyday shopping, Pogo's always got your back.

■

We've also built the infrastructure for you to monetize your data directly with companies (if you choose). As AI commoditizes public data, what becomes truly valuable is access to real people - and data only you can share.

■

Our data economy is broken today and it's time for a reset. For the first time, Pogo puts you in the driver's seat of your data to get you the value you deserve.
