Company Description: TechAssist is an enterprise, cloud, data analytics system that empowers management and technicians to optimize commercial refrigeration performance.

The TechAssist system is a software as a service offering of The Weghorst Group that includes a sophisticated web application, reports, curated datasets, SMS text reports, workorder attachments, conversational AI, and more. Based on usage across more than 5,000 stores and over 10,000 users, TechAssist usage significantly increased refrigeration temperature time in target and stores with high Time in Target had 1/3rd the Repair Hours, lower food loss, and lower energy usage as stores with low Time in Target.
