October 1–3, 2008
Marriott at Tech Center • Denver, Colorado

SQF | International Conference

Discover why buyers and suppliers worldwide continue to choose food safety and quality certification as their preferred solution to gain and maintain consumer trust.

Who should attend:

Food safety professionals and food industry executives from:

- Retail: Supermarket and Food Service
- Supply: Farming, Food Processing, Manufacturing and Distribution
- Consulting and Training
- Certification and Auditing
- Food Safety Legislation

Participants will:

- Get the latest updates on harmonization issues
- Discover the latest developments in the SQF program
- Find out which resources are available to assist suppliers in the implementation process
- Network with food industry professionals from around the world
- Discuss case studies from SQF-certified suppliers and retail supporters
- Raise issues and discuss ideas at a pre-conference stakeholders meeting
- Learn how a globally trusted food safety and quality program benefits all levels of the supply chain
