Share Strategies • Reduce Risk

The Risk, Insurance and Safety Management Conference is the only event focused on risk and safety concerns for the food retail industry. Join industry leaders to:

- Mitigate critical risks for your organization, including retail extortion, data breeches, ergonomics violations and fleet liability.
- Elevate the effectiveness of your department through improved safety program implementation, multi-generational workforce management, and litigation management.
- Discover how peers are handling common safety issues, product recalls, store remodels and insurance renewals.

Who should attend

VPs, directors, managers responsible for:

Safety • Claims • Insurance

Workers' Comp • Risk Management
