**October 24-27, 2009**  
**Scottsdale, AZ**

## Sponsorship Options

FMI's **Risk, Insurance and Safety Management** Conference is the premiere venue for risk and safety professionals in the food retail industry. Vendors and service providers will meet executives from the most progressive supermarket companies. Retail attendees are VPs, directors, and managers with responsibility for workers' comp, claims, general liability, safety, insurance, enterprise risk management and contingency planning. Conference sponsors receive priority access to retail attendees as well as enhanced brand recognition and industry good will. Participating retailers in 2008 included:
