FMI SafeMarkTM Train-the-Trainer Workshop June 6-7, 2012

Hosted by Wakefern Food Corporation
5000 Riverside Drive • Keasbey, NJ 08832

SafeMark's Train-the-Trainer workshop ensures that trainers are current with the latest changes in the FDA Food Code and offers participants effective techniques for training others. Upon the successful completion of this workshop, you will be prepared with all the tools and information you need to successfully teach the SuperSafeMark food safety and sanitation course.

REGISTRATION INCLUDES:

SafeMark training materials updated to most recent FDA Food Code:

- Guide to Food Safety
- Guide to Food Safety Trainer's Kit
- FMI Invisible Challenge DVD
- Supplement to the 2009 FDA Food Code
- Continental breakfast and lunch on both days

WHY CHOOSE SAFEMARK?

- It's the only food safety training program designed by retailers for retailers.
- It's what customers expect.
- It's the responsible thing to do.
