OPERATIONAL SHRINK ROUNDTABLE

THE VOICE OF FOOD RETAIL 

Session Description

- This is an interactive discussion on operational shrink, the inefficiencies that create shrink and possible solutions with real impact.

WHAT IS OPERATIONAL SHRINK?

Inefficiencies in operational practices that create shrink and are typically non-theft in nature.

Root Cause Examples

- Procedural breakdowns
- Lack of standards
- Inconsistent process
- Lack of understanding of standards & procedures

Discussion Points

- Who owns shrink in your organization?
- Current problem or issue to be resolved?
- Your successful strategies for:
 1. Overproduction in the meat market
 2. Proper ordering for dairy or other perishables
 3. Obtaining vendor support
 4. Employee engagement in the solution
 5. Distribution/Supply Chain inaccuracy
